MEMORANDUM FOR: Director of Personnel
SUBJECT : External Contractors

In response to your memorandum of 27 May 1977, I am forwarding a list by office of those DDI contracts that meet the outlined criteria. All of the listed contracts fall into the external analysis category. Because of the extensive use of external contractors by the Office of Weapons Intelligence, we are forwarding in this instance a more comprehensive breakdown of costs from 1971-1977. Among other things, the OWI listing serves to illustrate the wide disparity between contractors on such items as cost per man year and overhead costs. Should you have any questions regarding this data please direct your inquiries to [redacted]
